### GOD IS LOVE

He first LOVED us.*

2016 Consecration

January 11 - February 9, 2016 *1 John 4:19*

#### FAVOR

- My funders offered an additional \$20,000 grant to my organization without us going through the rigorous application process. Praise God.

- I want to thank God for blessing us to travel to Florida and take third place in the Nationals. We were the first organization to make it to Nationals, in the second year of its existence, taking a lead place in the rankings. We were awarded a proclamation from the City of San

Pablo for finishing in 3rd place and representing the City of San Pablo. To God be all the Glory .

*~Jermaine Hargraves*

- Praise the Lord Pastor, for God is the giver of Wisdom and He is high and lifted up. Thank you for Davondre being invited to join the Junior Honors Society and achieving Honor Roll throughout the past years. I give God all the Glory.

## HEALINGS

- I give thanks to God Who has given me a talent to write and Who has approved the things that I write. He is having a book published for me through his mercy and grace. To Him be all the Glory and continuous prayer and praise. Thanks unto Him the chief editor, Christ!

*~Reginald Kinghorne*

- I give Honor to my Lord and Savior Jesus Christ. I praise the Lord for taking me through college with honor roll status every semester. I asked God which campus he desired; His response was, "Pick one, for I will be wherever you decide to go." I have been accepted to Holy Names University, UCSF, Wiley College, UC Davis and UC Berkeley. All with scholarships. The Lord also blessed me with a 2016 Nissan, and My book is releasing in the next three weeks. Glory to God!

*~Candace Brown*

- Glory to Jehovah Jireh! I want to give Him the Glory for meeting every desire, not just every need. God used Sister Melanie

to donate two luxury executive chairs for the Church office. To God be all the Glory for blessing this House!

*~Lady Deatta Parham*

- Praise the Lord for his manifold blessings! I attended a hearing to determine whether I would have to repay my homeowners association \$535 for plumbing work done as a result of a water backup in my condo. Dr. Parham, Lady Parham and others prayed and stood in agreement with me for favor and victory. The association manager called the following day to say that my case was valid and that the cost would be split instead of me paying the entire amount! Praise God!
- I misplaced two reimbursement checks from my homeowners association. By the time I relocated the checks they were no good. During a conversation with the association manager, she said they will issue a replacement! Hallelujah to my God!

*~Melanie Beasley*

- I would like to thank my Lord Jesus for healing my sister. She was suffering for two months and the doctors didn't know what was wrong, they finally noticed a large mass near her stomach area on her ovaries. After they removed it, the doctors said it was a miracle they removed all of it because it was cancer. Thank you Lord for your healing power.
- All praises to God! While we were having Praise/Devotion, God healed my left ear and my hearing returned instantly! I give God all the Glory!
