The Ministry of God's Word (1N)

- 1. St. John 1:1-2. The Word has always been and will always be. And His Name shall be called, the Word of God. Rev 19:13**
- 2. The Word of God cannot be mastered through cleverness, research, or any natural talent, because the Word of God is Spirit (John 6:53-63).**
- 3. What are words?? Things that eyes see, ears hear and heart contemplates-these are man's words. But revelation comes from the Holy Spirit, for He alone knows the things of God and they can only be seen, heard etc. by the Spirit. A spiritual person is a person who not only has the Spirit of God within, but also lives under and walks according to the Spirit's Power and walks according to the Word of God and the Spirit's principle.**
- 4. The Word of God/Bible is a book that exposes its reader. To ascertain a person's true character and habit, you need only ask him to read a chapter and then tell you what he got out of it. That is why real Word Churches are small and other Churches are huge.**
- 5. If anyone wants a sure answer to Prayer, he must find God's Promise in His Word. He is a Man that He cannot lie, and His promise will come to pass. Praying without the Word of God defined, can become a sure disappointment.**
- 6. The Word of God cleanses us from all sin and keeps us free from sin as we accept and obey it, John 8:31-32.**
- 7. The Word of God is the cure to unbelief, we must hear the Word on a consistent basis, Rom 10:17; Acts 10:44;15:7:1 Cor 1:18-21; Ps 1:1-3.**
- 8. Confessing God's Word is an extremely important matter in obtaining favor with/God. Rom 10:10. Loving God, Healings, success, happiness, prosperity etc. must come through us confessing and believing the Word of God.**
- 9. The love of man and his glory has stopped him from being light for the Kingdom, the Word of God makes you a light, Matt 5:14-16.**
- 10. When a person is from a certain country, he speaks that language, Kingdom people should speak Kingdom language, the Word of God.**
- 11. Side Note: The more of the Word of God that dwells in a person and the more instructed a person is before God, the more apologies he will make. He is much more sensitive to the feelings of others and invariably apologizes more.**
- 12. What is Ministry of the Word? It is the impartation of spiritual riches to man.**
- 13. There are three different kinds of people whom God uses to Minister the Word. In the OT, God's Word was spread by Prophets; we had the Ministry of the Prophets. At the time of our Savior's earthly Ministry, He became Flesh and dwelled among men! By that we had the Ministry of our Lord Jesus! In the NT, God's Word was propagated by the Apostles, which is us now.**

- 14. The Word of the Living God/Bible is not a collection of devotional articles; it is men performing and living out the Word of God, which is and is supposed to be us! The governing principle throughout the Bible is the Word became Flesh in us! If one does not believe that God assumed a human body in the form of Jesus Christ and died for their sins. He absolutely will never understand or Minister the Word of God! Something must be real inside of us to make it real to someone else, we must believe it, at that point, you can convince others.**
- 15. The issues of the Church now, rest on a 'no connect with God'. A person may speak on the Spirit, Holiness, Cross etc....yet the people listening hear only flesh. The Man has no Power, he is disconnected from God. And they say, "yeah, we are doing God's Work", but where are his/or their marks from the Cross?**
- 16. To preach the cross is easy, but to be a crucified person preaching the Cross is not so easy. Does my life (love, attitude,) bear a crucified Cross?**
- 17. God gave us our human elements and personalities etc., the problem is we do not know where to start us or end us! It's too much of us!! Only those who are not there, can minister the Word of God!! A soul that has been cleansed and broken by God can minister for God!! There must be marks from a crucified life. Apart from dying with Jesus, there is no other way, of killing the old man. Rom 6:11. Satan is always looking for ways to bring him back. 1 Cor 15:31.**
- 18. A person's attitude has much to do with His interpretation and receiving of God's Word. Some are looking for justification. Without the Cross experience we are unable to understand or obey God and His Word.**
- 19. The purity of the Word of God ministered depends on the amount of discipline received before God!! The more one has been broken, the purer the Word ministered will be!! God wants to use a man; however, He will use whatever is available.**
- 20. The Word of God is "God-breathed", 2 Peter 1:21, God made it a Living Book. A Living Word, spoken by the Living God. The distinctiveness of this Book is its dual feature; on one hand, the Bible has an outer shell-the physical part of the Bible-similar to the part of man that is made of dust; on the other hand, it has its Spiritual part-which is in the Holy Spirit-what is God-breathed and God Spoken. Many Ministers serve only from the physical part, but a true minister of the Word serves the Church from the Spiritual portion.**
- 21. What is God's Word? It is when God Himself comes forth. It is Him not only speaking to you, but through you. If God is silent, there is no Word to deliver, be quiet. Most so-called spokespersons of God, neither expect Him to speak nor anticipate Him revealing Himself while they speak. Their whole entire focus is on displaying the message they have prepared or doctrine they have formulated!**
- 22. John 4:24, (In Word/Worship). God is a Spirit; therefore, He must be Worshipped in Spirit. God's Word is Spirit and must be received by man's spirit! Jesus, gradually becomes the Living Word in us!! Then, we progressively see the reality of Christ through His Word, then we can supply Him to others, alone with the Word. Those people who receive such a word will find the Spirit working in them to transform that word into Christ in them. This is called the supply of Christ-that is, Christ supplied through the Word of God. Men**

received Him when they receive the Word. This forms the basis for all Ministry of God's Word! The Goal is a real Jesus, everyday!!!

23. We as Saints think we can spend time in the Word (which is necessary to Study), we can comprehend it- with or without Prayer. This is a lie from hell.
24. What is God's order, first it is to know the Lord, then to find Him in the Book. Man's problem is reverse the order of Christ in the Bible. They try to know the Book without knowing the Christ!
25. Who is a Minister of the Word? One who translates Christ from the Bible, He then tells people of the Christ he has gotten to know, using the Word of God. the Holy Spirit then translates these words back into Christ in those who receive them.
26. The lack of the Word today is the fault of the Ministers. The little Jesus they are teaching is not full enough to battle life's issues! Results: Unbelief/Backsliding.
27. A true Minister does not preach about Jesus, he preaches Jesus! He is not delivering a message but a Man! Fruits are produced according to their respective realms of doctrine or the realm of revelation. The Word spoken in the realm can only produce fruit of that realm, and never that of another. After hearing a speaker, our lives and our flesh will either continue to be undisciplined or changed by the message. Knowledge produces knowledge, doctrine produces only doctrine, but revelation can beget more revelation.
28. Many of our reading of the Word of God touches letter, not Living Word. When the Spirit ceases to reveal to us, the Word turns into mere doctrine. When the Anointing leaves, there is no more seeing the Word, which results in no more Ministry. Sadly, some Churches are there.
29. A desire to please Him, desire His Wisdom/Knowledge, to love Him more than anything, to be able to Minister His Word requires, many, many trials. Trials produces Word in you. As the number of trails increase, so the Word of God in you increases and you then become, useful to God and as light in a dark world. Those who have forsaken themselves the most have the most to give.
30. A principle for ministering the Word of God is, we are tested with all sorts of trials, after that, we may supply others with what we have learned. In the process of speaking the Word of God, we need two things, a usable feeling and a usable spirit. Because it is often our feelings that determined whether the spirit is able to come forth. If our feelings are blocked, the spirit is obstructed.
31. The Spirit of God flows through our feelings, it flows through the channels of emotions. If our outward man has not been broken by the Hand of God, our feeling cannot be tender and delicate, for where there is no wound, there has been no suffering. It is only where the wounds are found and there has been suffering, you will find tender feeling that can be used by God. Great wounds and deeper the suffering, create the real Ministry. John 15:1-7
32. One who has had the Cross worked into His life and has been broken by the Lord, will no longer be stubborn or rebellious, he can then be used of God.
33. It is good to thank God for victory, but we should also thank Him for our weakness. For the Power of Christ is made manifest in our weaknesses. 1 Cor 1:27.

- 34. Why can't more people witness the Word of God to others? Because people's emotions are spent on themselves! See the quality of the Word of God in us is controlled by our emotions, the secret of sensitive feelings lies in not making ourselves the center. The more trials, the more selfless we become, the richer our emotions, the richer the Word in us. A spiritual man is rich in all kinds of feelings.**
- 35. The effect of the Word is not determined by the Word itself, but by the spirit it is delivered. Trials are for the softening of the inner man and to crush the outer man! Each trials the Lord allows us to experience can either break us into an unusable vessel or make us an effective minister of His Word!!!**
- 36. There is no work that demands such a high degree of concentration as that of the release of the Spirit which makes us one with God and His Word. Then words pushed out by God, through us are strong and they will bring Salvation, deliverance, will heal, bring joy etc. and do whatever, He has sent it out to do. Is 55:11.**
- 37. Jesus is the Head, without the body (us), the Head has no way to express Himself.**
- 38. Before we minister the Word of God, spiritual humility must come through our being, enlightened by God, so that we might have a real knowledge of ourselves. Soulful self-abasement is a result of looking at man, comparing ourselves with others and being afraid to preach the Truth.**
- 39. If anyone is proud about preaching, there can be only one result. He can preach well. He has no real Ministry of God's Word. He may feel good after preaching, but he will never be a Minister of the Word of God!!**
- 40. Preaching/teaching just to make people understand is the lowest level of Ministry. The highest level is for people to see God in His Word being preached and fall down, before Him, desiring change and to please Him.**
- 41. The more spiritual the message, the more easily people are influenced by God's Word and changed.**
- 42. In order to be a Minister of the Word, God must arrange our daily circumstances, through which He works until our spirits become one in the spirit with His Word. He sends you different places, change schedules etc.**
- 43. A person who studies God's Word is brought into one with the person who has written it. Jehovah-God, and our Lord and Savior Jesus Christ**
- 44. Whenever a passage of Scripture appears meaningless to us, we need to realize that it is not the Bible that is meaningless; rather it is us being inadequate, since each passage of the Bible is full of Spirit.**
- 45. We Women of God are mandated to hear the Word of God from the Mouth of God and teach our daughters wailing. Jer 9:20.**
